

Taking a break?

Please follow the guidance when using this and other smoking areas to reduce your risk of transmission of **COVID-19**

Whilst using this smoking area:

- Avoid facing each other – if the shelter is busy ensure people stand side by side
- Maintain a two metre distance from others
- Avoid touching railings or common touch points
- Limit the number of people within a small area
- Wash your hands thoroughly before and after you smoke/vape
- If you vape, clean your vape regularly
