

School for Parents Group

- * *Are you worried about your child's physical development?*
- * *Is your child falling behind development milestones?*
- * *Has your child been diagnosed with cerebral palsy*

School for Parents group enables children from birth to 4 years with their parents to join us weekly to work with our Conductor-teacher to begin to develop their physical skills as early as possible.

Key benefits of the Conductive School for Parents Group

- A positive system that focuses on what the individual child can achieve
- A comprehensive approach that covers physical, social, cognitive, and personal development
- Gives the child the motivation to find ways of functioning – develops a 'can do' attitude
- Contributes to establishing a daily routine for the child and expects active participation at an age-appropriate level
- Enables the child to work alongside others with similar impairments
- To teach a normal way of life
- To nurture a positive outlook and an ability to solve problems and overcome challenges
- To help children achieve greater independence and fulfil their potential
