Choosing a school for your child can be a complicated process for parents, especially if they have special educational needs and/or a disability (SEND). You may wish to consider asking the following questions when visiting a prospective school.

17. How does the school help children to learn how to make the school a happy place? Does the behaviour system reward effort as well as success?

19. How would the school make sure my child has the chance to take part in all areas of the curriculum?
20. How do you make sure all children have equal opportunities to take part in school trips?
