Quick Guide:

Finding a Suitable Childminder

Some childminders may have specific experience with children with disabilities or special educational needs (SEND). However, all childminders are expected to conform to the [Equality Act 2010](#) by making reasonable adjustments for your child.

All childminders in Northamptonshire are registered with the Office for Standards in Education, Children's Services, and Skills (Ofsted). This means you can read their latest inspection reports on [Ofsted's website](#).

Childminders in Northamptonshire are also listed on the [Children and Families Services Information Directory \(FIS\)](#).
