

Using the Toilet!

My name is..... and I go to..... school.

I can use the toilet at home and school. I can wee and poo on the toilet.

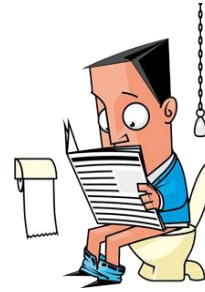

I will follow my toilet schedule, it is ok to look at and follow my toilet schedule with help from my teacher or mummy and daddy.

I will sit on the toilet to wee or poo, it's ok to do a wee or poo in the toilet.

Sometimes it might take a little time. It's okay to sit on the toilet and wait or do something else.

Here are some things I can do while sitting on the toilet and waiting:

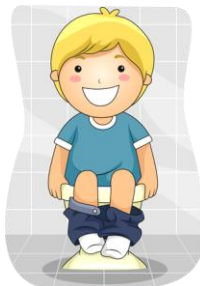

1. I can look at a favourite book or magazine.

2. I can listen to my teacher, mum, or dad singing my favourite nursery rhyme.

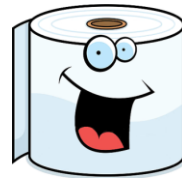

3. Or I can just sit on the toilet.

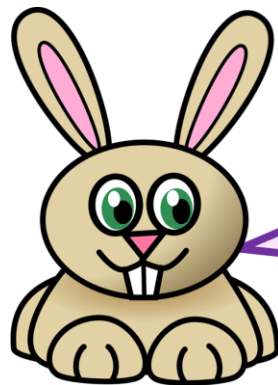

I am going to try to wee or poo on the toilet.

When I am finished pooing, weeing, or sitting on the toilet - my teacher, mum, or dad will wipe me with toilet paper.

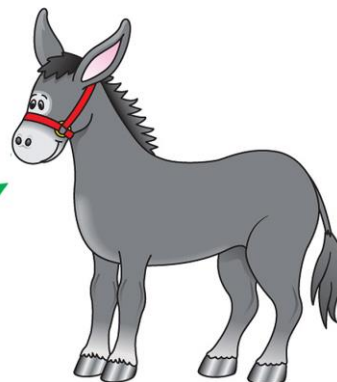

Your teacher, mum and dad will use me to wipe your bum!

I will follow my schedule, pull up my pants, and wash my hands.

It is okay to sit on the toilet!

You can sit on the toilet and wee or poo!
