

Sensory Impairment Service

Activities for children with vision impairment

- **Positive Eye**
Gwyn from Positive Eye has set up lots of information on her website to support parents.
<https://www.positiveeye.co.uk/general-news/activity-shares-for-families-and-professionals-covid19/>
She is also hosting three free online classes per week for anyone who wants to join them. They are structured and link to the story of Marvin with activities to do after the class.
Check out the page here and watch the video to find out how Positive Eye is supporting the community. Everything is free.
<https://www.facebook.com/PositiveEyeIdeaMachine/>
- The **VICTA** and **RNIB** websites have activities and ideas to access with your children.
<https://www.victa.org.uk/> <https://www.rnib.org.uk/talking-books-service>
- **HumanWare** are delivering live webinars.
Please type HumanWare webinars into your search engine to access, as they change on a daily basis.

“The live webinars will also be available through our Facebook channel:
<http://www.facebook.com/humanware>
If you have any questions related to HumanWare Live Webinar Series, please send them to: <mailto:humanwarelive@humanware.com>”
- **Touch Typing.** Remember to practise touch typing skills using **Typing Master**
This can be accessed through the following link:
<http://online3.typingmaster.com/login?id=fqdayvbmj>
Once entered, a login box should come up for the **Visual Impairment Team Assisting Learning**. If it does not say Visual Impairment Team Assisting Learning it is not the correct login. Other touch typing programmes can be accessed for free but this is a specific licence with the VI team.
Other typing programmes can be accessed for free such as **Dance Mat**
<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr>
- **Braille Art** for those that have access to a braille
<https://www.pathstoliteracy.org/strategies/just-fun-braille-designs>

PLEASE CONTACT YOUR QTVI FOR ADVICE OR SUPPORT
