Graduated Approach

Assess

- Document
  - Initial assessment of need *

- Considerations
  - This could be one document with Action Plan *

Review

- Document
  - Part of Target setting ∆
  - Voice of child /parents views

- Considerations
  - This could be one document with target setting ∆
  - Good practice to review Action plan
  - Good practice to refer to initial assessment to consider if any significant changes
  - Action Plan and initial assessment must be reviewed at points of transition or end of a phase eg on transition to school

Plan

- Document
  - Action plan *

- Considerations
  - This could be one document with Action plan *

Do

- Document
  - Target setting ∆

- Considerations
  - This could be one document with Review ∆

* could be one document
