1 Policy statement

1.1 [INSERT SCHOOL NAME] is a primary school in Northampton and is part of Northampton Primary Academy Trust. This admissions policy was finalised following public consultation on a Trust-wide approach to admissions. Our aim is to ensure all our schools have fair, clear, objective and easily understandable admissions arrangements that focus on serving the local community, reflect our vision and values and are as easy as possible for parents/carers of potential pupils to understand.

1.2 More information about Northampton Primary Academy Trust is available on our website: www.npatschools.org

1.3 [INSERT SHORT PARAGRAPH ABOUT THE SCHOOL]

1.4 More information about our school is available on our website: [INSERT WEBSITE ADDRESS]

2 Published Admission Number (PAN) and process

2.1 The school has a PAN of [INSERT ADMISSION NUMBER] for entry in Reception.

2.2 [In addition to this figure, we have [INSERT NUMBER OF SU PLACES] places within our Special Unit. Admission to the Special Unit is made in liaison with the Northamptonshire County Council SEN Team and does not form part of this policy.] The school will accordingly admit this number of pupils if there are sufficient applications. Where fewer applications than this are received, Northampton Primary Academy Trust schools will offer places at the school to all those who have applied.

2.4 Applications in the ‘normal round’ (that is the main cycle of applications for Reception places from the beginning of the school year) are administered on behalf of the Northampton Primary Academy Trust schools by Northamptonshire County Council’s School Admissions Team Local as part of the local coordinated scheme.

3 Child’s Home Address

We allocate school places using the address your child is living at on the closing date for applications [INSERT APPLICATION CLOSING DATE].

When we refer to a child’s home address, we mean the permanent residence of the child. This address must be the child’s only or main residence that is either:

• Owned by the child’s parent, parents or carer/guardian.

• Leased to or rented by the child’s parent, parents or guardian under a lease or written rental agreement of not less than six months duration. The property leased should be that in which the family lives.

We may require written proof of ownership or a rental agreement and proof of actual permanent residence at the property.
We cannot allocate places on the basis of intended future changes of address unless house moves have been confirmed through the exchange of contracts with a completion date, or the signing of a formal lease agreement.

If you change your address at any time during the admission process, please tell the School Admissions Team – whose contact details are shown on the back cover of this booklet. Please note that we cannot allocate on the basis of a change of address after the closing date for applications. We use the address we hold on the closing date to allocate places, but will use your new address for any correspondence.

We do not usually accept an address if:

- It is the address of your second home. If you have two homes, we will check which one is your main home. We may refuse to allocate a school place at an address which we consider to be a temporary or business address.
- Only part of a family moves, unless this was as a result of a divorce or permanent separation arrangement. We will ask for proof of this.

We reserve the right to seek further written proof to support your claim to residence, and that your child is living there.

**Please note**: an address used for childcare arrangements cannot be used as a home address when applying for a school place.

Each year, the School Admissions Team will check a sample number of addresses at random by asking the parent/carer to prove the address they have stated on their application.

### 4 Education Health and Care Plans

Children will be admitted where a child has EHC plan which names the school as the appropriate provision.

### 5 Allocation of Places Up To PAN

Places will be allocated in criteria order up to the PAN of the school. If the number of children in a criterion means that a school would exceed it PAN if it admitted them all, there must be a way of establishing which children will be offered the places. In this case, all the children in the criterion will be ranked according to the distance from the school with those living nearest to the school having priority.

### 6 Oversubscription criteria

6.1 When the school is oversubscribed (that is, there are more applications than places available), after the admission of pupils with an Education, Health and Care Plan that names the school, priority for admission will be given to children in the order shown below:

1. Looked After Children and Previously Looked After Children
2. Siblings
3. School Staff

4. Children who live nearest to the school

5. Other children

7.0 Oversubscription criteria definitions

a) **Looked after Children:** They are (a) in the care of a local authority or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see definition in Section 22(1) of the Children Act 1989).

b) **Previously looked after children** are children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order. These definitions are set nationally, by the Department for Education.

c) **Siblings:** The sibling must be attending the school at the point of proposed admission. Note – this definition is the one used by the Local Authority in relation to admissions to schools that they maintain - Northampton Primary Academy Trust schools adopt the same definition to avoid any confusion and keep arrangements as simple as possible for local parents and carers.

Siblings are defined as the following:
- A brother or sister living at the same address as the applicant (within a family unit) including adopted children, step-brothers, step-sisters and children in foster care.

**Sibling link:**
- Some schools give priority to children whose brother(s) or sister(s) are already on roll at a preferred school (this is called a ‘sibling link’). The sibling must be in the school at the time of application and be likely to remain in the school at the proposed date of admission. If a sibling secures a place at the school after an application has been submitted for another sibling, then the parent/carer should advise the School Admissions Team that a sibling link now exists.
- If siblings live between two addresses, applicants must provide proof to show that the main address is the same for both children.
- Siblings must be living at the same address when the application is made. If there is any discrepancy between sibling addresses, parents will be asked to provide proof of the home address of both children.

d) **School Staff:** The school may give priority in their oversubscription criteria to children of staff in either or both of the following circumstances:

- where the member of staff has been employed at the school for two or more years at the time at which the application for admission to the school is made,
  and/or
- the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage.
7.1 **Distance Tiebreaker and Measurements**: This is the process we use if more than one child has an equal right to a place after applying the school’s oversubscription admission criteria. Unless otherwise stated, distances are measured from the address point of your home to the address point of the school on a straight-line basis, using a geographical information system. Each address has a unique address point established by the most valuable elements from the National Land and Property Gazetteer (NPLG), Ordnance Survey Master Map, Royal Mail Postal Address File and The Valuation Office Agency. The address point for a property does not change.

In the case where multiple applications for the same shared dwelling (e.g. Flats) occurs; a randomiser will be used to decide the priority in which the pupils within the shared dwelling are selected in the event of a tiebreaker.

In the groups oversubscription admission applicants are ranked according to the distance of the home address to the school. Priority is given to those living closest to the school.

Where the school’s PAN is reached in a criterion, all the children in that criterion are ranked according to the distance they live from the school. Priority is given to those who live closest to the school.

Please note: Late applications are also assessed by distance from the school (priority being given to closest) to ensure consistency in the allocation process.

8 **Tie-breaker**

All admission arrangements must include an effective, clear and fair tie-breaker to decide between two applications that cannot otherwise be separated. In the event of two distances being equal, Northamptonshire County Council measures to the next decimal point. If the measurements remain equal, lots will be drawn, and the process will be independently verified.

9 **Late Applications**

9.1 On time applications will be processed before those received after the closing date [INSERT CLOSING DATE] and parents who apply on time will be notified of the school allocated on National Offer Day, [INSERT CLOSING DATE].

9.2 Applications received after the closing date are referred to as ‘late’ applications and these will be processed in the further rounds of allocations.

9.3 Parents who make a late application will not receive notification of the outcome of a late application on the National Offer Day [INSERT CLOSING DATE].

9.4 If a late application is made for popular (oversubscribed) schools, it is possible that the school allocated may not be one of the three preferences as the popular schools fill up with on time applicants.

9.5 We will consider an application to be late if we receive it after the closing date [INSERT CLOSING DATE] at 5pm even if other children in the family attend the school, or if the children applying live in the linked area, or if the applications are for children who have just moved into the area/county.

9.6 If you need to apply for a school place after the closing date, you will have to complete the late application web form (which will be on the NCC website after 5pm on [INSERT CLOSING DATE]) as the online application service for co-ordinated admissions will be closed. Alternatively, a paper application form may be completed. Paper forms may be
obtained from the School Admissions Team. The contact details for the team are on
the back cover of this booklet.

9.7 Late applications are processed within our additional rounds of allocation between
May – July [INSERT YEAR]. Depending on the number of applications received, it may
take several weeks to process each round. Applicants will receive an offer via email
where possible.

10 Delayed Applying for Summer Born Children

10.1 The School Admissions Code allows parents/carers of summer born children (children
born between 1st April to 31st August) to request that their child is admitted out of
their normal age group (i.e. into Reception in the September following their 5th
birthday, rather than into Year 1).

Before making the decision to do this, we recommend that you read the information
about summer born children on NCC’s website:

www.northamptonshire.gov.uk/admissions

You may also wish to seek advice from professionals, such as your child’s Early Years
provider.

10.2 The process is as follows for requests to delay applying to Reception for a whole
school year for NPAT schools:

1. Parents of summer born children who could start school in September [INSERT YEAR],
but wish to delay applying for a Reception place, should make their request directly to
the NPAT school they are applying for before 1st December [INSERT DATE TWO YEARS
PRIOR TO YEAR OF ENTRY]. This is to enable sufficient time for requests to be
processed and, where a request is not agreed, for the family to have adequate time to
make an application for a place for September [INSERT YEAR], before the closing date
of 15th January [INSERT YEAR].

2. Parents/carers should indicate clearly their 3 preferred schools in order of preference,
e.g. 1. School a, 2. School b, 3. School c

3. Parents/carers should submit their reasons (with evidence from an appropriate
professional if available) for wishing to delay applying for a Reception place, including
confirmation of agreement from the admission authority of the preferred school. If
the school agrees to the parents’ request to delay applying, the school will write to the
parent/carer to confirm that an application can be made in the following year. The
letter will highlight the potential risks/impact of making a delayed application which
may include the following:

- While a school may agree to a delayed application, there is no guarantee that
  parent will be allocated a place at that school in the following admissions round
  as other children may have a higher priority within the school’s oversubscription
  admission criteria;
- The application will be processed as part of the normal admissions round in the
  following year, according to the oversubscription criteria of each school stated as
  a preference. No additional priority will be given to the applicants and, therefore,
  the applications may not be successful for the preferred school(s);
- The local authority will make every effort to allocate a Reception place (rather
  than a Year 1 place). However, it may not be possible to allocate a Reception
place at the parent’s preference or at the local school. This is because the local authority is not always the admissions authority and some schools, which are their own admission authority, may not agree to the delayed entry;

- If we are unable to offer one of your preferred schools, it may not be possible to offer a place in Reception at another school (as they will not have agree to delayed application). In this case, you would be offered a place at a school in Year 1 at the nearest school with a place available.

4. If the request is not agreed, the parent will receive a letter from the admission authority of the school providing reasons for refusal. Any complaints should be addressed to the admissions authority of the school in question;

5. Parents/carers may still change their mind regarding delaying entry by a whole school year and may apply by the national closing date for primary school admissions [INSERT DATE] in the normal admissions round for starting in the September following their child’s fourth birthday. This will provide two further options for the parent/carer: a) they can consider deferring the child’s start date in Reception until later in the school year or b) they can discuss part time arrangements with the allocated school, as detailed in paragraph 2.16 of the School Admissions Code. If an application is then received by the 15th January the parent’s previous request to delay until the following year would no longer apply. Applications received after 5pm on the closing date will be treated according to the current NCC late application policy;

6. A copy of the letter sent by NCC to the parent/carer will be sent to the Head teacher of the school concerned;

7. Parents/Carers who choose to delay entry by a whole school year will need to apply for a school place in the admissions round for the following year. School Admissions will send a paper application form for parents to complete;

8. If a child is given an Education Health Care Plan (EHCP) after an agreement has been made with School Admissions to delay an application for a place in Reception, the Plan will override any agreement made and will specify which school the child will attend and which year group the child will be in;

9. Please note that other Local Authorities may have different arrangements for how they deal with Summer Born requests and this may affect you if you move to another county before taking up a school place in Northamptonshire.

If a parent who has applied by the statutory National Closing Date [INSERT DATE] later changes their mind and wishes to delay their child’s entry to Reception, they should discuss this and other options with the Head teacher of the allocated school. A request to delay applying for a Reception place for a summer born child will not be agreed if the reasons for the request are based on dissatisfaction with a place offered or if a place has not been offered at a preferred school.

The Department for Education advice on the admission of summer born children can be found at:

11 Waiting lists

11.1 Where the school receives more applications for places than there are places available, a waiting list will be operated by the school until 31 December [INSERT YEAR OF ADMISSION]. The waiting list will be maintained by the school and it will be open to any parent or carer to ask for his or her child’s name to be placed on the waiting list, following an unsuccessful application.

11.2 Children’s position on the waiting list will be determined solely in accordance with the oversubscription criteria. Where places become vacant, they will be allocated to children on the waiting list in accordance with the oversubscription criteria. The waiting list will be re-ordered in accordance with the oversubscription criteria whenever anyone is added to or leaves the waiting list.

12 School Admission Appeals

12.1 All applicants refused a place have a right of appeal to an independent appeal panel constituted and operated in accordance with the School Admission Appeals Code.

12.2 The appeals process is run in accordance with the statutory processes and timescales set out in the School Admission Appeals Code. Appeals should be lodged in writing to the Head Teacher and set out the grounds for the appeal within 20 school days of finding out their application for a place has been unsuccessful. Information on the timetable for the appeals process is on our website at:

[INSERT SCHOOL WEBSITE LINK TO ADMISSIONS PAGE]

Appeals will be conducted by Northampton Primary Academy Trust’s appointed appeals service.
