

**Title:** Personal Social Services Adult Social Care Survey England

**Start date:** 1st February 2018

**End date:** 9<sup>th</sup> March 2017

**Results expected:** September/ October 2018

**Overview:**

The Care Quality Commission, the Department of Health and Adult Social Care Services work in partnership every year to carry out a satisfaction survey with customers in receipt of care and support services to assess their experience of local care services. This survey is carried out across the country and Northamptonshire's results will feed into a national report.

**Subjects:** Adults, Care, Disabilities, Learning Disability, Physical Disability

**Areas:** Countywide

**Participation Instructions:**

A survey is sent out to a random selection of adults who are receiving social care and support services. If you receive one of these surveys we would like your help by giving us your views about the services you receive.
