

**Title:** Personal Social Services: Survey of Adult Carers in England

**Start date:** 15th October 2018

**End date:** 30<sup>th</sup> November 2018

**Results expected:** Mid 2019

**Overview:**

The Survey of Adult Carers in England asks carers about their quality of life, the impact of services on their quality of life, and their general health and well-being. The data collected are sent to NHS Digital and are used as the basis of analyses that are included in national level Official Statistics reports. Data are also used to populate several measures in the Adult Social Care Outcomes Framework (ASCOF). These data will be used to inform and support policy and decision making at both the local and national level; to improve care, services and outcomes for local populations; and to help carers make better choices about their support.

**Subjects:** Adults, Care, Disabilities, Learning Disability, Physical Disability

**Areas:** Northamptonshire Countywide

**Participation Instructions:**

A survey is sent out to a random selection of carers. If you receive one of these surveys we would like your help by giving us your views about the support and services you receive.
