About the consultation

What is the consultation title?*

What is this consultation about?*

Consultation on the Northamptonshire Fire and Rescue Service Draft Community Protection Plan 2017 -2020
Our Integrated Risk Management Plan (IRMP) referred to as the Community Protection Plan (CPP) details the current strategy, profile and achievements of the Northamptonshire Fire and Rescue Service and what improvements the Service hopes to make over the next three years.

The plan is produced to help you understand how the Fire and Rescue Service aims to deliver the Service vision, objectives and priorities through an action plan.

The consultation is being held to gauge if we are addressing risk within the county correctly, if our plans for the future of the fire service are sufficient and if there are any other areas that we need to consider in our formative planning stages.

The survey is structured around our Integrated Risk Management Planning process detailed on page 14 of the community Protection Plan, covering Situation, Direction and Action and should take no more than 5-10 minutes to complete.

We hope that local residents and businesses will complete the survey and take part in developing how we remain effective in the challenging period of reform and austerity.

How can I take part? How can people engage? Please add any links to previous consultations and relevant consultation documents*

Our public consultation is open now and runs until Wednesday 21 December 2016. Your views on our 3 year plan are important to us and will help us to define how we deliver the Service vision, objectives and priorities.

Below is a link to the Cabinet paper, which discussed the community protection plan, as well as a link to the Northamptonshire Fire and Rescue Service fire service review as well as the actual draft community protection plan.

We are collating view via a survey, the link to which is also below.

For more information about the consultation and the survey, please use the contact details below and a member of the team will respond to you.
