## About the consultation

What is the consultation title?\*

Consultation on the proposed future of Ecton Brook Care Home for Older People

What is this consultation about?\*

Ecton Brook is a medium sized Care Home based in Ecton Brook community in the east of Northampton. Built and designed in the 1970s with shared facilities; Ecton Brook Care Home has 46 bedrooms. It is now in a position which requires considerable investment or an alternative approach for it to meet the needs of people who are living there and future prospective residents.

Following the publication of the Northamptonshire's Accommodation Strategy for Older People 2016-2021 in February 2016, we are now seeking views in respect of the Ecton Brook Care Home.
