

## Consultation results

This form is for consultation team members to input results of a consultation which will then be published on the NCC website.

All fields marked with an asterisk \* are mandatory.

What is the consultation title?\*

Proposed expansion of All Saints CEVA Primary School, Wellingborough

What were the results?\*

Between 10th November and 8th December 2016, two consultation responses were received. Both of these responses focussed on the potential impact of the expansion on other schools in the area.

Following the conclusion of the consultation period, an NCC Cabinet Member Decision of 10th January 2017 agreed that the admissions number for All Saints Church of England Voluntary Aided Primary School should be increased from 30 places per year group to 60 places per year group, providing a total of 210 new primary places for the Wellingborough area. The increase in pupil numbers, however, will not take place until September 2018 (September 2017 is stated above).

Separate consultation will follow in respect of the capital scheme which will be required to provide the necessary accommodation associated with this expansion of pupil numbers.

This report also contains all representations received during the consultation period.
