

Site Map with Legend

Red Area – This is the main compound as described

Blue Area – This is where we park staff cars. Several of us lift share so we average approximately 6 cars

Yellow Area – Site Entrance/Exit. Vehicles drive past the blue area to enter/exit the main compound

Green Area – We have only started using this space recently and on a temporary basis as an area to store empty skips. However, this may become permanent so should be included in the application

Purple Area – This is used for vehicle storage during the day, there are normally 0-2 vehicles parked there.

Inside the Main Compound:

Orange Area – Toilet block

Pink Area – Portakabin office
