3. Description of the Proposal

Please describe the proposed development including any change of use:

The works comprise of externally refurbishing the existing 'Old' Science block at Wollaston School. This includes reconstruction of the failing existing external leaf and re-cladding the 'Old' Science block, adjacent link to the Gym and part of the existing entrance area to the attached 'New' Science Block. Works also include a step and ramped access to the main entrance to the 'Old' Science block and rear emergency escape exit. The demolition of a brick built Bio-Chemical Store to the rear of the Science Block and replacement of the facility through the installation of a bundled Bio-Chemical unit to be housed to the existing retained slab of the former brick building. This is essential in forming access to the rear of the building for an appointed Principle Contractor to physically undertake the works. The works also include the erection of an air conditioning unit and associated maintenance mesh cage to the rear of the 'New' Science block.
