Dear Dan

Princewood Road, Corby – Section 73

Further to our recent discussions concerning the above please find enclosed the following in support of our application:

- Application for removal or variation of a condition following grant of planning permission. Planning Portal Reference: PP-07075599.
- Drawing No: D18220708/1/1A. Proposed Finished Levels.
- Calcareous Grassland Translocation Method Statement dated 21st February 2018.
- Cheque No:001109 in the sum of £234.00.

In addition to the above we would also confirm the resultant void created by the proposed levels will be circa 6000 tonne and will take approximately 4/6 weeks to fill at current import volumes.

This will not impact on the development end date.

We trust this is acceptable to you and should you require any additional information please do not hesitate to contact the undersigned.

Yours sincerely
for BIRD
