For the attention of Dan Szymanski

Dear Sir,

RE: ELTON RESERVOIR & PLANT SITE

I am writing to advise you that I have submitted two Section 73 applications today via the planning portal reference PP-07077103 and PP-07077223. The applications seek an extension of time to complete the engineering works with imported clay. In view of the linked nature, a single statement has been prepared that covers both submissions.

I attach 3 copies each with an electronic copy on the disc on the back cover together with a cheque in the sum £468 for each planning fee (i.e. £234 x 2).

When you have had an opportunity to review these applications I would be pleased to discuss any questions that you may have.

Yours faithfully,

ps D.K. Symes
