Developing phase 10 next will assist with the operational development of the site, waste disposal is currently taking place in Phase 6 which is directly adjacent to phase 10, this will allow the operations to continue straight through into this phase, optimising the location of haul roads and associated infrastructure. It will also reduce the haulage distance for excavated material to be utilised in the capping and subsequent restoration of the completed phases.

7. Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

Yes No
